Western Valley Insurance Associates, Inc. is a California Corporation established in 1969. We are an Independent Insurance Agency with offices in Turlock, Los Banos and Crescent City serving the Central Valley and Northern California.

We believe Truth, Honesty and Integrity are more important than dollars.

We believe the service we provide is as important as the product we sell.

We believe the quality of our service reflects the quality of our employees.

We believe success lies in “Long Term” relationships with our customers.

We believe “Teamwork Makes the Difference” between the competition and Western Valley Insurance.

The best Insurance Programs require the expertise of dedicated Professional Agents and Brokers to assure that the proper coverage is in place at the lowest possible cost. We offer Commercial and Farm Packages, Bonding, Worker’s Compensation and Employee Benefits as well as Personal Auto, Home and Life Insurance. Our staff takes pride in the level of service they provide and the relationships they maintain with our customers. We know that our interest is best served by placing your interest first. Our approach is to serve as a “Trusted Advisor” for all your insurance needs.
